2025 Uralla District Show Society President's Report.

Preparations are progressing well for the 2025 Uralla show (our 150th).

Our small but very dedicated Show Committee have been planning and organising for the full year and I think that the 2025 show will be very successful.

One of the feature attractions at this year's show will be a shearing demonstration and competition. This event is being run by a sub-committee of our local shearers and should be very popular. It will be located undercover, just in front of the main gate and will involve many of our local shearers and also some from across the state. It has the potential to greatly increase our gate takings and should also have a positive flow-on in other areas of the show. To see a sheep being shorn is becoming quite rare and this event will give many people, (adults and children) this opportunity.

We have decided again this year to have more live music during the day with two very popular local performers. We will be entertained during the day by Matt O'Leary and in the evening by Kevin Spencer, both from Tamworth. We are also having motorcycle barrel racing and the very popular demolition derby, both noisy and very exciting.

Some of the other highlights this year will be "The Grand Parade" (with great prizes) and the "Fire Brigade's Rescue Demonstration".

For the children there will be the best decorated bike competition, the pet competition and the lolly chase. For the bigger kids (and older) there will be the motorcycle barrel racing, live music and of course the side shows.

Our Pavilion Committee has also been working very hard to present the wonderful produce, cooking, art, photography and handicraft that our area produces. There is also the schools section and the home brew competition. Also, there is the wool section with a wonderful display of many types of wool but particularly the superfine wool that the New England is so famous for.

Our committee has also tried to keep the show family friendly. Our gate admission prices have not increased and many of the pavilion prizes have doubled but the entry fees are unchanged. Our show kitchen provides tasty food and drinks at very reasonable prices. They also can provide gluten free food as required.

For the motoring enthusiast, there will be a display of vintage and specialist cars competing for the "Uralla Show and Shine". There will also be a display of vintage machinery as you enter the main gate.

For those that love horses, our main ring will have events throughout the day with a very comprehensive program and great prizes.

I would like to thank our Honorary Secretary, Mrs Sue Barnden, for the massive amount of work and time that she puts in, not only at show time but during the whole year. Thankyou also to Mrs Margaret Scott, our Honorary Treasurer who has managed our financial position so well and kept us up to date. Also, to the Uralla Bowling Club for their donation towards the fireworks which our children enjoy so much. A special thankyou also goes to Rotary and the Uralla Lions, the Uralla Showground Land Managers, the Uralla Shire Council and Local Fire Brigade. Thanks also to TJ's (Foodworks) supermarket for your assistance. Thanking everybody for the assistance that they give to the Uralla Show would take a very long time. That assistance ranges from very large donations and those that give days and even weeks of their time to others that might only be able to help for a few hours. All are very important to make the show a success and the Show Committee greatly values your help.

During the year we unfortunately lost one of our valued members Mr Colin Armstrong. Colin regularly attended our meetings and was a very keen supporter of the children's push bike completion. He enjoyed our meetings and his ideas and involvement will be missed. Rest in peace Colin.

I would also like to thank our show executive, the Management Committee and those members that attend our monthly meetings throughout the year. Our minute Secretary, Mr Noel Marshall, has had the difficult task of recording the minutes when we go slightly off-topic – thankyou Noel for your perseverance. My job has been made much easier with the vast experience of Mr Bill Upjohn and our Snr Vice President Mr Carl McMillan, thankyou gentlemen. Thanks also to Rae, Gail, Jo, Liam, Murray, Michelle, Tony, Debbie and all of the other members that attend our meetings regularly and provide the suggestions and idea's that take our show forward in such a positive way. Finally, thank you for allowing me to have the privilege of being your President for the last twelve months.

It is very important that we continue to have the Uralla Show. As our rural sector faces increasingly difficult times it would be very sad to see this tradition end. Please help us to avoid this happening by coming along and having a great day at your show.

Jeffrey Scott
(President).
